Delphinium

NEW, SENSATIONAL, DOUBLE DELPHINIUM

This season we offer the new Pacific hybrids with immense double flowers of pleasing combination of pink, lavender, blue and purple. The plants grow about five feet tall and the foliage is mildew resistant. Surely you will want some of these fine hardy delphinium. We can supply you with pure white, double delphinium also.

Fine Plants .30 each, 3 for .85, 6 for \$1.50, 12 for \$2.75 postpaid

BLACKMORE & LANGDON DELPHINIUM

Singles and double mixed in a wonderful array of color combinations. Beautiful flowers fine for cuttings, hardy and worthwhile. We offer fine plants of strain as the Hollyhock Delphinium.

20c each, 3 for 55c, 6 for 95c, or 12 for \$1.85, postpaid

GALLARDIA PORTOLA HYBRIDS

Hardy garden flower, fine for cuttings. Blooms June to frost. Large daisy flowers with Indian red petal tipped with yellow. Showy and pretty.

.20 each, 3 for .50, 6 for .85, or 12 for \$1.65 postpaid.

GALLARDIA SUN GOD IMPROVED

A wonderful garden flower. Foliage is grey green, neat and upright. Flowers grow on stems two feet tall. Color rich chamois yellow. Beautiful cut flower. They bloom the entire summer regardless of drought or heat.

.50 each, 3 for \$1.35, 12 for \$4.50 postpaid

HARDY PHLOX

Phlox are easily grown and the bloom is very showy, colorful and effective from July until frost. Phlox will grow in sun or shade. They like a well drained location and the soil should be deeply spaded and enriched with well rotted manure or bone meal. Never let the plants go to seed. Keep well watered but do not sprinkle the foliage.

We offer some of the newest and choicest varieties that will bloom next year:

Africa—Deep scarlet. One of the best.

Beacon—tall, cherry red.

Border Queen. Very large pure pink.

Break O Morn. Delicate pink with red eye. Fragrant.

Daily Sketch. Robust grower. Tall large salmon pink, crimson eye.

Eiffel Tower. Large flower of salmon-pink, bright red center.

E. I. Farrington. Beautiful salmon-pink with white eye.

Firebrand. Very popular. Brilliant scarlet.

Glenwood. Cerise. Color of American Beauty rose. New.

Hauptmann Koehl. Tall dark red. Large flowers.

Lillian. Beautiful pink with light lavender eye.

Mrs. Charles Doer. Large flower. Beautiful shade of lavender.

Miss Lingard. Early white and very nice.

Morgenrood. Deep rose red, large flowers.

Mrs. Scholten. Very large bright pink.

Maid Marion. Beautiful lilac-blue. Very large flowers.

Paladin. Salmon-pink with red eye.

Rhineland. Clear salmon pink. Fine.

.25 each, 3 for .65, 6 for \$1.10, or 12 for \$2.00

Labeled and postpaid.

Giant Hibiscus

Perfectly hardy. This unusually showy plant blooms first year from July to frost. Grows 4 feet tall and the immense flowers are 8 inches across. Gorgeous red shades. Also bright pink and pure white. Order the colors you prefer. This plant thrives in all soils and likes sun or partial shade. 3-year old plants, 35c each, 3 for \$1.00, 12 for \$3.50 prepaid.

Be sure to see our Special List with bargain prices on Polyantha Roses and Heckrotti Honeysuckle. You should have some of these unusually fine flowers.

HARDY LILIES

Regal Lily. Large white Lily with yellow throat and pink outer surface. Hardy and fine. Large bulbs will bloom first year.

20c each, 3 for 50c, dozen \$1.45, postpaid

The Harmon Nur

-- Polyanthus Roses --

Here is a fine family of everblooming roses that are hardy and bloom all summer thru. Beautiful for bedding purposes and they do not cost much more than a geranium. Will bloom the first year and for many years to come. These roses do not have to be coaxed and coddled like many roses do, but will come through for you with very little attention and offer gorgeous colors and bloom. Bed them out about 18 inches each way.

Catherine Zeimet—A beautiful double pure white. Very large clusters and delightfully fragrant.

Edith Cavell—A brilliant scarlet overlaid with velvety crimson. Very free blooming and outstanding.

Ellen Poulsen—A double bright rose pink. Very fragrant and free blooming.

Glori Mundi—A beautiful variety. Large flowers fully double, of beautiful orange. Borne in great clusters and very lasting.

Golden Salmon—Bright orange salmon. A very consistent blooming variety and the color is very unusual and outstanding.

Gruss An Achen—Grows about two feet tall with large clusters of brilliant flowers, orange pink in bud opening to soft salmon pink. Beautiful, hardy and dependable.

Ideal—Immense compact bunches of beautiful dark scarlet flowers. Very free blooming.

Orleans—Large semi-double flowers of a rich crimson shade with white centers. Beautiful, free blooming and dependable.

Fine two-year-old field grown plants that will bloom first year.

.45 each, 3 for \$1.25, 6 for \$2.25, 12 plants \$4.00

All Prepaid.

We will send one of each of the above eight varieties for \$2.75 prepaid.

Note—We planted a bed of 30 Orlean roses for one of our customers in 1926 here at Prospect, Ohio, and last year the same plants gave a brilliant display of roses and were very beautiful.

CARNATION— CRIMSON KING

An outstanding hardy plant for the garden. Flowers all summer and is perfectly hardy. Dazzling crimson flowers on stiff stems. Fine for cutting. Bloom first year.

Fine plants. 30c each, 3 for 75c, 12 for \$2.50

TRADESCANTIA— (James C. Wequin)

This is one of the choicest of garden flowers of recent European introduction. The flowers are about twice the size of the common variety and are a delightful pale blue. Tradescantia James C. Wequin is of dwarf habit, grows about 10 to 12 inches high, and when in full bloom is one of the nicest things in the garden. Its unquestionable hardiness as well as its simple requirements make it one of the choice, absolutely foolproof hardy plants.

60c each, 3 for \$1.50, dozen \$4.50

A Beautiful New Climbing Vine Lonicera Heckrotti

A new superlative variety. Very handy and beautiful. Good dark blue-green foliage, with large clusters of flame-coral flowers that are lined with gold. Very unusual and striking. Grows rapidly and fine for trellis, fence or bank cover.

Fine plants .60 each, 2 for \$1.00, 6 for \$2.75 prepaid.

Purple Wisteria—We offer fine grafted plants, grafts taken from fine flowering parents. Grafted plants are sure to bloom. Purple wisteria is a fine desirable vine and we offer large two year old plants at

.60 each, 2 for \$1.00 or 6 for \$2.75 prepaid.

Boston Ivy (Ampelopsis Vetchii) The finest hardy climber for covering walls or brick chimney as it clings firmly to the smoothest surface without wire or nails for support. Small pretty shaped leaves of dark green through summer with autumn color of vivid crimson. Fine plants.

.35 each, 3 for \$1.00, 6 for \$1.75 prepaid.

PLANTING SUGGESTIONS FOR BABY TREES

Why not plant a few rows of these little trees to grow on into larger trees and plant them in permanent positions later. Our transplanting directions tell you how to do it.

Bird Havens. Plant Russian Mulberry. Fruit ripens all summer, is loved by birds and the trees furnish fine nesting places.

Mass for Color in Border or in Woodland. Caragana, Dogwood, Redbud, Russian Olive, Catalpa, Birch.

Street Trees. White Ash, Green Ash, Chinese Elm, Silver Maple, Sugar Maple, Linden.

Lawn and Landscape Specimen. Dogwood, Birch, Poplar, Willow, Locust, Russian Olive, Eu. Mt. Ash.

To Prevent Washing of Soil. Locust, Catalpa, Sycamore, Chinese Elm, Russian Mulberry.

For Timber. White Ash, Walnut, Sycamore, Sugar Maple, Linden, Hickory.

For Hot Dry Locations. Chinese Elm, Caragana, Tamarix.

Transplanting directions furnished with each order.

Baby Trees at Bargain Prices

Flowering Trees -- Nut Trees -- Shade Trees

This is a real bargain. This makes the eleventh year we have offered these fine little trees and our sales and testimonials prove the popularity and value of them. At this low price you can purchase a number of trees and grow them into fine specimen plants or mass them in your woodland, make a windbreak or plant them for timber. The little trees we offer are three-year-old seedlings and are two to three feet tall. They are large enough to transplant easily and will adapt themselves quickly to their new places. We have some fine trees to ship this season and planting instructions will be sent with each order.

COMPLETE LIST OF BABY TREES

Your choice of the following in nice, well rooted, 2 to 3 feet high and any number of each that you want.

2 Trees 50c, 6 for \$1.00, 15 for \$2.00, 45 trees \$5.00, postpaid.

By Express or freight not prepaid, 100 trees \$8.00.

Ash, White. Rapid growing with beautiful wide top. Clean foliage and fine autumn color. Fine for shade trees and timber. Fine tree for difficult locations.

Ash, Green. Fine tree for dry locations. Excellent street tree with beautiful clean foliage. Very hardy, makes a beautiful specimen and valuable for timber.

Dogwood, White. Small tree. Covered with large, white flowers in May. Pretty foliage through summer and beautiful autumn colors. Very desirable either singly or in groups for lawn, border and woodland planting.

Redbud. Large shrub or small tree. Pretty foliage and a mass of rich pink flowers in May when Dogwoods are in bloom. Beautiful and effective either alone or in groups.

Birch, European White. Very hardy variety with pretty foliage and picturesque white bark. A beautiful specimen tree for lawn and woodland planting.

Caragana (Siberian Pea Tree) Very hardy large shrub or small tree. Light green foliage and yellow flowers in May. Thrives in very difficult locations and fine for bank sides and windbreaks.

Catalpa. Rapid growing with large leaves. Large clusters of white flowers in July followed by long Indian cigars in autumn. Grows in very poor soil and makes a fine interesting tree. Stands heat and drought.

Chinese Elm. New introduction from North China. Grows in all locations, good soil or poor. The best rapid growing shade tree known today. Fine street tree and withstands heat and drought. Perfectly hardy and easy to transplant.

These young trees can be planted into a hedge as they grow very bushy and with a little shearing will make a very fine hardy compact hedge. As a windbreak for stock lot or bee lot they are unexcelled. Plant a double row about six feet apart and let them grow bushy they will soon develop into a fine windbreak which will be perfectly hardy even in the cold northwest.

Eu. Mountain Ash. Makes a beautiful small specimen tree. The fern-like foliage is dark green and very pretty. The clusters of orange berries in the late summer and fall make it very showy and outstanding. You will find this tree well worth having.

Linden, American. Tall, stately tree with fine shining foliage. Fragrant, small flowers in July. A fine street tree and valuable timber tree.

Lombardy Poplar. Tall, spirelike trees. Rapid growing and fine for background and screen effects. No other tree grows tall and slender like this variety.

Maple, Silver. Rapid growing, fine shade tree. Thrives in all locations. Good street tree and very popular.

Maple, Sugar. One of the finest shade trees. Compact, round top with beautiful foliage. Tall and stately. These trees produce the sweet sap from which is made maple syrup and sugar.

Mulberry, Russian. Thrives in any location. One of the best trees for wild birds. Its thick top furnishes ideal nesting places and the fruit, which ripens all thru the summer, is loved by all song birds. Very hardy and makes a fine windbreak. Easy to transplant.

Russian Olive. Small tree with very attractive grey foliage. Twigs also are grey. Handsome and fine for color effect. Golden, fragrant flowers in June. Hardy and easy to make live.

Sassafras. Small growing tree with long leaves of shining green. The autumn color is very beautiful. The tree makes a beautiful and interesting specimen.

Sycamore. Large trees with light grey or creamy white bark. Rapid growing, hardy and very rugged. Large leaves. A valuable timber tree and fine for color effect in winter.

Tamarix, Africana. A large shrub or small tree. Feathery foliage giving evergreen effect. Pink flowers in May. Deep rooted and thrives in difficult locations. Fine for foliage effect in borders and background. Stands heat and drought well.

Tulip Tree. Tall growing and does best in rich soil and shady damp location. Light green leaves are shaped like a violin and have a bluish cast. The flowers are yellow in June and three to four inches across. Makes a beautiful specimen tree. Fine for timber also.

Weeping Willow. Graceful weeping tree. Vigorous and thrives on damp and dry soils alike. Makes a beautiful lawn specimen. Ideal near pools and watersides.

Walnut, Black. Fine for timber and large edible nuts. Large meats of fine quality. Bears quite young and almost every year. Transplants easily in small sizes and grows rapidly. Thrives in any soil; one of the most valuable timber trees in America.

Butternut. Small tree with round, spreading top. Interesting foliage and bears large, long nuts of very rich quality. Thrives in any soil and bears young and every year. Very hardy.

Hickory, Shell bark variety. Grows into fine timber and the rich nuts are thin shelled and fine quality.

Hazelnut. Tall bush. Thrives in dry locations. The fine nuts are born in clusters and are ripe in late September. Makes a fine shrub also.
